## RED PILLAR CONGRATULATES WINNING CLIENTS

### *Multiple victories in Orange County*

Red Pillar Consulting, LLC extended its congratulations Wednesday to its winning clients in the county-level elections in Orange County this year.

In Legislative District 3, first-time candidate Paul Ruskiewicz (R,C,I - Pine Island) defeated opponent Harold Ciappa (D,WF - Warwick) for County Legislator by a two-to-one margin, winning the race with 67% of the vote. In a statement on his website, Legislator-elect Ruskiewicz thanked his supporters, saying, "I am truly honored by all of your support, and I look forward to serving you in Goshen as I promised: openly, honestly and responsibly."

Ruskiewicz swept the Republican, Independence, and Conservative primaries in September, the last by write-in campaign.

In Legislative District 8, Village Trustee Barry Cheney (R,I - Warwick) defeated opponent Nathan Wolinsky (D,WF - Tuxedo Park) decisively, garnering 61% of the vote. Legislator-elect Cheney posted a statement online that he was "honored" to have come away the winner. "I'm ready to get down to business, and I will remember my solemn promise to conduct County business in a spirit of transparency, accountability and responsiveness to my constituents," said Cheney.

Cheney defeated incumbent Legislator Dan Castricone in the Republican primary in September. He will be retaining his position as Deputy Mayor of the Village of Warwick.
